Dear colleagues,

We have been extremely saddened by the unpleasant information received today on the passing of our colleagues from Germany while performing their duty during a traffic control.

On behalf of the family of CESP and in my personal name, allow me to extend our deepest condolences to the families of the deceased colleagues and to all our police officers in Germany.

We sincerely believe in the professionalism of the respective authorities and we call on thorough investigation on the case by demanding transparency and accountability. As police officers we are fully aware of the risks of our profession and we serve it proudly, but such accidents must not be repeated, never.

Once again accept our sincere condolences to all BDK family and we remain at your disposal if anything needed.

Sincerely yours,

Ricardo Valadas,
